HOUSING Overview

The Housing Office of Southeastern Baptist Theological Seminary seeks to provide adequate, affordable, safe, and comfortable housing for all God-called men and women who come to Southeastern to prepare for Christian ministries throughout the world.

Campus housing is available to all Southeastern students enrolled in a minimum of six term hours.

Southeastern has apartment accommodations for student families and dorm or apartment accommodations for single students. Commuter facilities are also available to student families and single students who need housing accommodations for a few nights a week.

APPLYING *for* Housing

Applications for housing are made online through the Housing Office. To apply for housing simply go to sebts.edu/housing.

A refundable Occupant Fee is required at least ten days prior to move-in. The fee is \$300.00 and may be paid online, or by cash or check. Checks should be made payable to SEBTS.

Rent is payable monthly in advance. Rent is due on the first of each month and considered late if not paid by the tenth of the month. All rent payments are made in Accounting Services, which is located on the first floor of Stealey Hall.

All students who desire to live in campus housing must sign a Housing Agreement that includes our Policies and Regulations.

Please note that pets are not allowed in seminary apartments not designated as pet-friendly. Certain apartments at Flaherty Farms and Fletcher Village are designated as pet-friendly areas. Please ask about our pet-friendly housing.

Possession of firearms in any campus area is limited by state law.

HOUSING Agreements

Students are required to sign a Housing Agreement to live in campus housing. Each calendar year there will be two termination dates for the Housing Agreement. An agreement signed on January 1st through May 31st will terminate on May 31st of that year. An agreement signed on June 1st through December 31st will terminate on December 31st of that year. In each case the agreement will automatically renew on the day following the termination date unless the student moves out on or prior to the termination date.

The student is required to take at least 6 term hours during the fall and spring semesters, must be in good standing, and remain in good standing with the seminary financially, disciplinarily, and academically throughout the term of the agreement. Failure of the student to satisfy these requirements may result either in the student's rent increasing by \$300/mo or the student being required to vacate housing.

The administration understands that due to certain circumstances it may not be possible for the student to take at least 6 hours. If a student will not be able to meet this requirement for an acceptable reason, the student will need to submit their reason in writing to the Director of Housing and the student may be given a waiver for this requirement. Acceptable reasons include: family health issues, one semester of financial difficulties, graduating in two semesters but scheduling does not allow for taking 6 term hours, and graduating at the end of the semester and needs less than 6 term hours to complete the degree work. Other reasons may also be acceptable.

HOUSING Assignments

Housing assignments are made approximately four to six weeks before the move-in date you indicate on the Housing Application. The Housing Office will send you an offer for an apartment by email, and you will have the opportunity to accept or reject the offer. When the assignment is confirmed, you will be given your new address so that you can tell friends and family, forward mail, etc. Feel free to call us if you have any questions during the assignment process.

LIVING *in* Campus Housing

During the time you live in seminary housing you will have the opportunity to meet and share in the lives of many other people who God has assembled in this place. There are numerous opportunities for fellowship, spiritual growth, and family fun.

MOVING *into* Your Apartment

When you arrive in town on the day you move in, you will need to come to the Housing Office first to pick up your move-in packet and keys.

EMAIL housing@sebts.edu

The Housing Office communicates all official information and notices through your e-mail account. It is very important that you check your email frequently.

HOUSING Newsletter

A newsletter is published monthly by the Housing Office to keep students informed about activities, news, and notices related to campus housing.

PROPERTY DAMAGE

Liability Waiver (PDLW)

While we strongly encourage residents to carry renters' insurance, renters' insurance is not required to live in Campus Housing. However, all residents are enrolled in the Property Damage Liability Waiver as a term of our Housing Agreement, and are responsible for a \$15 monthly fee.

The Property Damage Liability Waiver (PDLW) is not renters' insurance, but it will cover your liability in the apartment for damages caused by water discharge, smoke, fire, explosion, and sewer backup. Though it does not cover a resident's personal property, it will provide for the restoration of the apartment itself. Please reference the Housing Agreement for the full terms of the PDLW.

TECHNOLOGY FEE

In Campus Housing, each apartment has a dedicated fiber internet connection and router built in. Fiber internet is a standard feature in all apartments and a technology fee is mandatory for all residents. The Technology Fee is \$70/mo for private apartments and \$30/mo for flat-rate residents.
